

Spay/Neuter Agreement

Greenmore Farm Animal Rescue (GFAR) authorizes the adoption of _____
to new owner _____.

GFAR and the new owner agree that

(1) This animal will be sterilized (spayed or neutered) by a licensed doctor of veterinary medicine within 30 days of _____, unless the veterinarian certifies in writing that there is a medical reason to perform the sterilization at a later date.

(2) The new owner will provide GFAR with a written statement from the licensed doctor of veterinary medicine who performed the sterilization that this animal was sterilized by the date listed above. This written statement can be a copy of the receipt for the sterilization, as long as the receipt includes the owner's name and identifies the dog.

(3) After receiving the written statement confirming sterilization, GFAR will refund the new owner's \$75.00 sterilization deposit.

Greenmore Farm Animal Rescue

New Owner

(signature of agent, _____)

(signature)

Date: _____

To facilitate the return of the sterilization deposit, the new owner should

- Email the written statement from their veterinarian or a receipt for the sterilization to greenmorerescue@gmail.com, with the subject line, "Spay/Neuter Refund."
- The body of the email should include
 - the name of the approved adopter,
 - the dog's name at the time of adoption,
 - the date of the adoption, and
 - the mailing address where we should send your refund check.

Please allow up to three weeks for GFAR to process your refund.

If you prefer to donate your \$75.00 deposit to Greenmore Farm Animal Rescue to help more animals, please let us know when you send the proof of sterilization. We will send an acknowledgement thanking you for your donation that you can print as your tax receipt.
